**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I want to keep my broadband independent internet supplier just the way I have it! It is a local supplier (sonic.net) that has served my family well for more than 25 years. My telephone service is also with them. Their service is great and prices are very fair. Do not mess it up. This service provider has done a great deal for our community, like offering free WiFi in our small town.
